## APPLICANT'S STATEMENT

These answers are true and complete to the best of my knowledge. I understand that any false, omitted, or misleading information in connection with this application or during the interview process will result in rejection of my application or termination of my employment if I am hired, regardless of when discovered.

I also understand that any offer of employment may be conditioned upon a health evaluation by a doctor selected by the County to determine whether I can perform the job duties. In addition, I understand a drug or alcohol test may be required, depending upon County policy.

I authorize the County to make a thorough investigation of my past employment, education, criminal history, job-related activities, and other relevant background information, and I release from all liability all persons, companies, and corporations providing such information, either in writing or orally. I also indemnify this County against any liability that might result from making such investigation. Furthermore, I authorize the County to supply my employment record, in its sole discretion, in whole or in part, to any prospective employer, government agency, or other party with an interest that the County deems appropriate.

Additionally, I understand that nothing contained in this employment application or in the granting of an interview is intended to create a contract between Stanton County and myself for either employment or for the providing of any benefit arising from employment. No promises regarding employment have been made to me. I understand that if an employment relationship is established, I have the right to terminate my employment at any time and Stanton County retains the same right, regardless of any oral representations to the contrary. Any changes in this "at will" employment relationship must be made in writing and approved by the County Board.
