

Stanton County Election by Mail

Recently the Stanton County Clerk's office has been made aware of a campaign to push voting by mail. Early voting application forms were mailed to registered voters instructing them to complete the ballot request form and return it to the clerk's office. This request form is not from the Stanton County Clerk's office and is not needed in Stanton County and can be disregarded.

Stanton County is designated as an Election by Mail county. As a result of being designated an election by mail county voters are not required to submit a request to receive a ballot. Ballots are automatically mailed to all registered voters not sooner than 25 days before and not later than 10 days before the election day. The ballots will be mailed between October 9 to October 23, 2026.

If you wish to change your political party, or your name or address has changed you will need to update your voter registration as soon as possible. You can contact the county clerk's office if you have any further questions.
